Welcome to the upcoming UEFA Champions League match Borussia Dortmund - FC Chelsea

The police department of Dortmund warmly welcomes the fans of FC Chelsea!

We expressly welcome football enthusiasts and peaceful supporters as well as other visitors to the city of Dortmund. We are aware that supporting the team is an important part of the match. Nevertheless we would like to inform you that carrying and burning of flares, smoke bombs, sparklers, fireworks or any other non-approved pyrotechnics is prohibited inside the stadium as well as in public areas. Any violation will lead to legal consequences and will be punished. The police of Dortmund will not condone misbehaviour of any kind and will probably exclude those supporters from the match. This means that because of your misconduct and despite being here to support your team, you will not have access to the stadium.

Therefore please do not use any kind of fireworks or pyrotechnics at any time during your stay in Dortmund. You endanger yourself and others!

Travel by bus / car:

Supporters arriving by bus / car are asked to use the parking area „Parkplatz E3“, Victor-Toyka-Straße, Dortmund. The walking distance to the stadium is a few hundred meters.

Travel by train:

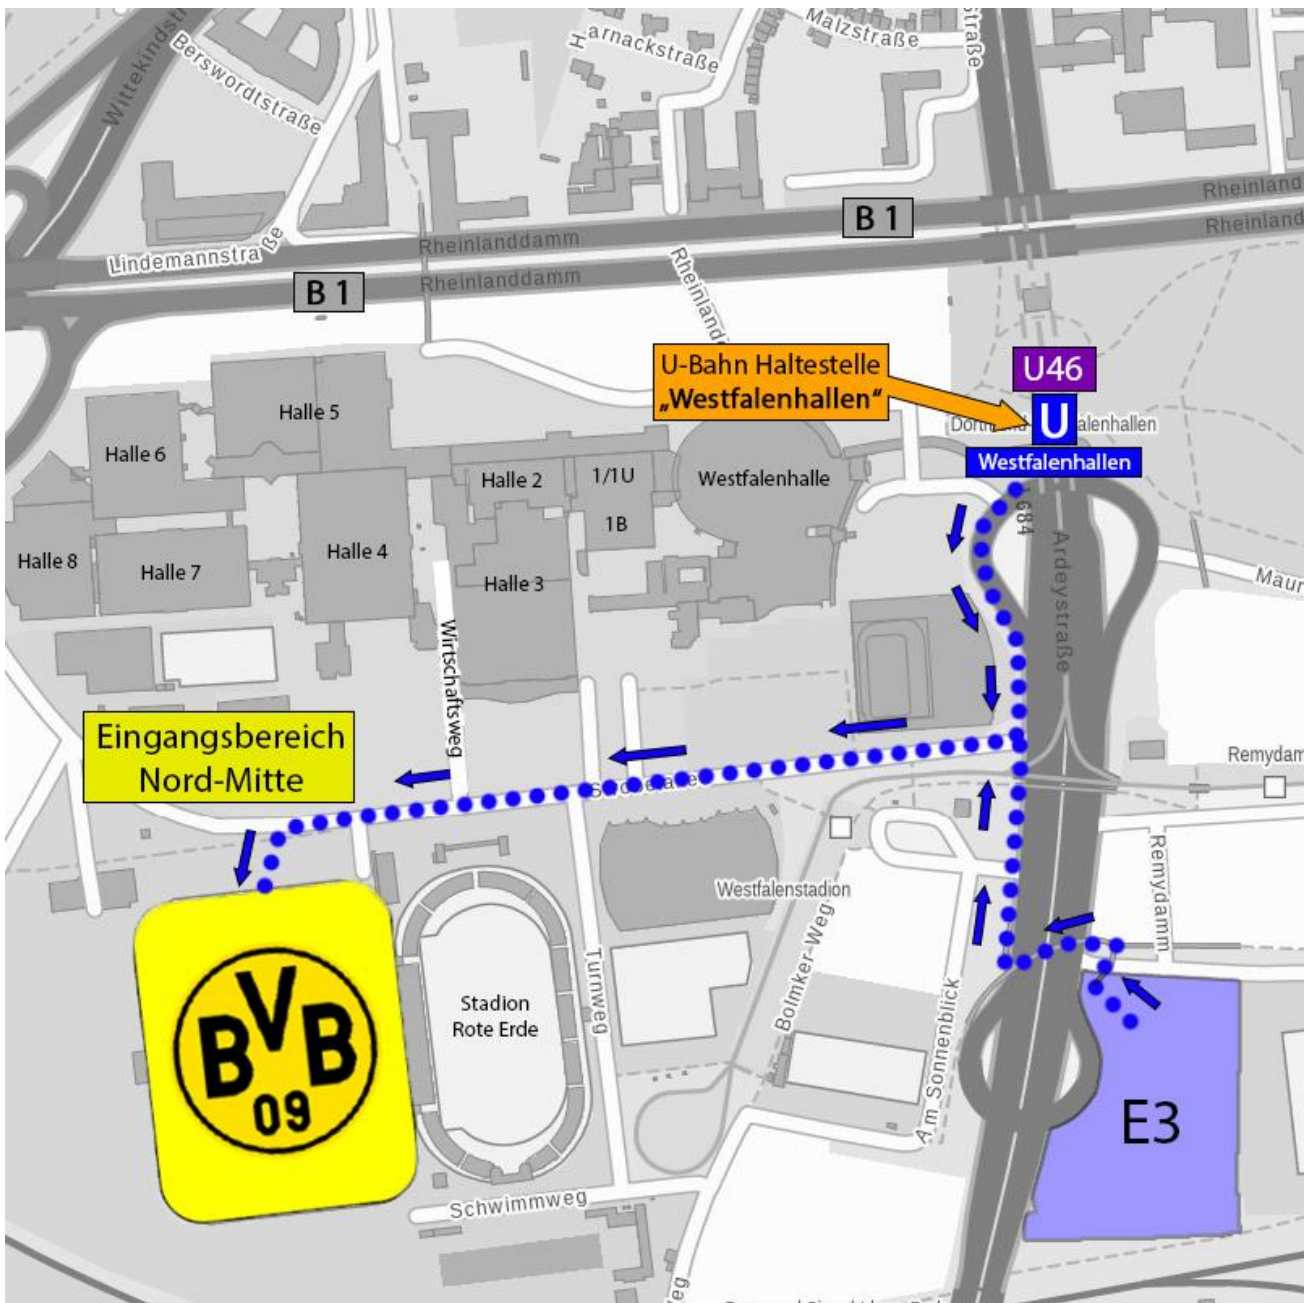

Supporters arriving by train are asked to use the subway U 45 from „Hauptbahnhof“ to „Stadtgarten“. **Here please change to the subway U 46 to „Westfalahallen“** and continue to the stadium on foot.

Travel from city centre:

Supporters who decide to spend the afternoon in the city centre are asked to use the subway line U 46 from „Stadtgarten“ to „Westfalahallen“ and continue to the stadium on foot. **The admission for the subway is included in the ticket for the match.**

Important notice to all visitors:

Please take care to arrive early till 7 o'clock PM in the vicinity of the stadium to avoid missing the kick off. Queues in front of the stadium can be quite long and cause delays. The guest entrance is located in the “Nord-Mitte” part of the Stadium and can be reached over the street „Strobelallee“.

Please notice that bags and other larger cases can't be brought into the stadium. Therefore we demand you to refrain from bringing those bags around. If this is not possible there are two shacks to drop your bags (one in front of the nord-stand where you will enter the stadium and one in the "Turnweg" right next to the traditional stadium "Rote Erde"). There are lock boxes at the central station "Hauptbahnhof Dortmund", too.

We thank you for your cooperation and hope you have a nice day in the city of Dortmund.

*Regards
your Police Department of Dortmund*
